**RE: FCC Form 471 128683**

---

**I. INTRODUCTION AND SUMMARY**

The Perry County School District (“Perry County School District”) serves low income pre-kindergarten through Grade 12 children in Perry County, Mississippi. Since 1998, the Perry County School District has been a very small but successful participant in the E-Rate program. The Perry County School District submitted and certified their Funding Year 2018 FCC Form 471, 181014250, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”)

website, on 2/27/2018. Dale Goodin and Jason Breland were the sole staff members of Perry County School District performing E-Rate duties, but were assisted by Lee Bray and Gary Rawson, the state E-Rate coordinator. The certification of the 471 application on 2/27/18 did not process correctly, and was not found until 3/23/2018 at which time it was correctly certified just 1 day after the FCC form 471 filing deadline in 2018.

## **II. Request**

The Perry County School District respectfully petitions the Commission to request a waiver of the Funding Year 2018 FCC Form 471 filing deadline on behalf of the Perry County School District to allow the Out of Window submission of their E-Rate Funding Year 2018 FCC Form 471, 181014250, due to unforeseeable circumstances.

Respectfully submitted,

Dale Goodin,

Perry County School District
